RECREATION SCHOLARSHIP PROGRAM

The Parks, Recreation & Forestry Department, with the assistance of the Ashwaubenon Lions have a limited amount of resources set aside to grant scholarships for children to participate in recreational activities. Scholarships are granted according to the free or reduced price school lunch program. For further information please contact the Parks & Recreation Department.

ARE YOU A RESIDENT?

A resident for registration purposes is anyone who lives within the Village of Ashwaubenon. Any person residing outside of the Village boundaries will be considered a nonresident and will pay their fair share through an additional surcharge established by the Park Board.

Auxiliary aids for disabled persons wishing to attend or participate in the Village of Ashwaubenon's Recreation Programs are available upon request at least 96 hours in advance of the events. If a notice of less than 96 hours is received, the Village will make every attempt to provide the aids, however, this may not be possible with such short notice.

RENTING OUR FACILITIES

The Ashwaubenon Parks, Recreation & Forestry Department has facilities that may be rented throughout the year for various events. Some facilities are for Ashwaubenon based businesses and property owners ONLY and some are available to both residents and non-residents.

What events our facilities are available for:

- Baby/Bridal Shower
- Family Reunions
- Picnics
- Retirement Party
- Birthday Party
- Wedding Reception

What events our facilities cannot be rented for:

- Fundraising Events
- Non-Ashwaubenon based organizations not serving the Ashwaubenon Community

The individual renting the facility and receiving the contract for the rented facility MUST be in attendance the day of the rental as they are the individual who will be held responsible for the facility. Businesses renting our facilities will be required to submit a certificate of insurance with the Village of Ashwaubenon listed as an additional insured.

FROM THE DIRECTOR'S DESK ...

"...I cannot endure to waste anything so precious as autumnal sunshine by staying in the house. So I have spent almost all the daylight hours in the open air."
~Nathaniel Hawthorne, novelist, 1842

Fall **is** a wonderful time to be out and about in the "open air"! And...we've got some great reasons for you to leave your house!

- The community grand opening for our new auditorium and pool projects will be on Thursday, November 10th. **Save the date...**more information to come. Planned evening festivities include facility tours, hors d'oeuvres, and performances by the United States Air Force Band of Mid-America.
- Come visit the "new" Ashwaubenon Community Center @ 900 Anderson Drive! We hope you'll like the facility and the amenities that are offered. Lots of discussion and hard work by the volunteer community center committee went into the design of this building!
- New programming partnerships are being forged with the Aging & Disability Resource Center (ADRC) of Brown County, as well as the Lifelong Learning Institute (LLI...formerly LIR - Learning in Retirement) to name a few. This programming will happen @ our community center...take a look at our 55+/Senior programming pages for more information!
- Not only does Klipstine Park house the "new" community center, it's the new home of the Ashwaubenon Historical Society! The "old" community center is being remodeled by the Historical Society for the transition, which will be great for school groups to walk over and interpret the rotating exhibits.
- The "Ashwaubenon Summer Concert Series" has plans to move back to Klipstine Park in 2017. Accessible pathways have been put into the park which will open up more opportunities for viewing. Concessions will be run out of the new community center...a wonderful summertime venue. Do you believe 2017 will be the **11th** season of the event?
- Don't forget to sign the kids/grandkids up now for our fall flag football clinics or flag football leagues which start in EARLY September. Well over 150 of our community youth participate in the pigskin programming every autumn! If you're a bit too old to dodge would-be flag pullers, we're offering another Pickleball 101 class @ Fort Howard Park beginning August 31st. All four of our previous classes have sold out.
- You can never say enough "thank-you's". THANK YOU to all of our residents for supporting the new community facility projects. Also, THANK YOU to all those businesses, individuals and families who gave additional funding to put the "special touches" into the projects. I think you'll find the projects have been built to serve our residents and businesses for generations to come.

From our "family" to yours...we hope the upcoming fall and winter season is a special one!

Registration for RESIDENTS Begins on August 29th.

COMMUNITY CENTER GRAND OPENING CEREMONY

Thank you to all who made the opening of our new Community Center possible. This project would not have been possible without the overwhelming support of our community which passed the "2014 Community Facilities Referendum". After years of planning and then construction we were able to celebrate the completion of our first Facility project on Thursday, July 21st. We had a great turnout of people excited to get a first hand look and tour of the new facility. We would also like to thank Ken Bukowski and Alicia Marth for the countless hours they have spent fundraising to ensure all the projects are first class. With that being said, we would also like to thank our many generous sponsors that have stepped up to contribute donations. We are excited for the future and the many great years of fun community activities and group rentals that will take place in this new building. [Thank you!](#)

ATTENTION FAMILIES OF SMALL CHILDREN IN THE ASHWAUBENON SCHOOL DISTRICT

The school district would like to collect census data from ALL resident families with children ages 0-5 years. A School Census form is online at www.ashwaubenon.k12.wi.us/publications or in the district calendar mailed to Ashwaubenon residents in August. The district would also like to be made aware of children with potential problems in the areas of learning, behavior, physical/developmental disabilities and speech/language. This is a requirement of the Federal Law. If you have concerns, please contact Cormier School at 920-448-2870 to request an Ages & Stages Questionnaire.

ASHWAUBENON FAMILY RESOURCE CENTER

The Ashwaubenon Family Resource Center in conjunction with The Ashwaubenon School District has openings for our fall preschool programs! Our most popular APPL program held at Pioneer School, is a once per week 2 hour class held on Tuesday, Wednesday, or Thursday mornings or a 1.5 hour class held on Thursday evenings. Class time includes planned family activities, followed by parent discussion groups while children attend preschool. "Parent's Day Out" and other special events are also planned. Financial assistance is available. Call 920-492-2925 ext. 6139 or email Maria Andersen at mandersen@ashwaubenonk12.org

VOLUNTEER OPPORTUNITIES

VOLUNTEERING IN THE SCHOOLS

The Ashwaubenon School District invites all senior citizens (50+) to consider volunteering in the schools. There are a variety of volunteer opportunities at Cormier, Valley View, Pioneer, Parkview and the High School.

Volunteers can serve as classroom helpers, assisting teachers with reading activities, math facts, spelling review and serve as test and computer supervisors. In addition, the district is looking for senior citizens willing to periodically read to classes and to help with special projects. Serving as a mentor or guest speaker and sharing information about careers, travel, hobbies and life experiences are still another way in which seniors can be utilized.

Volunteer opportunities are available for once a week, monthly, or on an "as needed" basis. Commitments are generally for an hour or two in a variety of time slots. Volunteer activities are flexible to accommodate senior citizens who travel or go south for the winter.

Senior assignments will begin in September. A complete list of volunteer opportunities will be listed and continually updated on the school district website at www.ashwaubenon.k12.wi.us/volunteeringcln. Anyone interested should contact, Coordinator of Senior Volunteers, Debbie Bodager at 492-2955 Ext. 2005 or dhbodager@ashwaubenon.k12.wi.us or call the school district office at 492-2911.

Look for our quarterly 55+/Senior citizen newsletter. If you would like to be added to our e-mail or mailing list, please contact the Ashwaubenon Parks, Recreation & Forestry Department at 492-2331 or seniors@ashwaubenon.com

MEALS ON WHEELS PROGRAM

The Ashwaubenon Parks, Recreation & Forestry Department partners with the Aging & Disability Resource Center of Brown County (ADRC) to recruit and train additional volunteers to deliver home bound meals through their Meals on Wheels Program.

Ashwaubenon residents can register for the Meals on Wheels Program by calling the Aging & Disability Resource Center of Brown County at (920) 448-4300. Meals will be available to individuals who:

- are 60+ years of age (adults who are under 60 and are legally disabled may qualify)
- are not able to get out to a Brown County meal site
- are home-bound and not driving
- are not able to prepare meals for themselves, and who do not have someone available to prepare meals for them

Substitute delivery drivers needed for the Ashwaubenon route. Call the PRF Department today for info at 492-2331.

SMART DRIVER

This class is designed for participants to understand the effects of aging on driving, learn driving strategies that take into account the effect of aging and to help identify the most common crash situations faced by older adults. Many insurance companies offer discounts to drivers who complete this course.

6TH ANNUAL ASHWAUBENON SCARECROW CONTEST!

As Fall creeps in.....Don't forget to plan your scarecrow for 2016!!

Have you driven down Holmgren Way the past several seasons and admired the cool scarecrows in front of village hall? Did you instantly want to put your very own on display at NO CHARGE?

PERFECT! We are happy to announce the return of our 6th annual scarecrow contest. There is no entry fee and you can use any supplies that you can manage to scavenge up.

With your free entry, you will be given a 6 X 4 area that will include a metal stake we provide. In order to receive your assigned location, you must stop in the park and rec office and fill out the entry form. Upon completion of the contest, there will be an online voting ballot and the winner will receive a prize!

For more more information, pick up a registration packet @ Village Hall, or go online and download the packet at www.ashwaubenon.com. Deadline to set up your scarecrow will be Sunday, October 9th. Last year was great, lets try and make this year even better!

CARDIO MASHUP & CORE

Cardio Mashup is a high energy, high intensity (and low joint impact), easy-to-follow cardio class combining cardio kick-boxing, multiple types of floor exercises, and toning to give you a workout that will get all your muscle groups working and your blood pumping. Fun music will motivate and invigorate to keep participants moving, sweating, and having a great time, all while burning calories and building muscle tone. Don't want a high-impact workout on the joints? Not a problem, this is a high-energy, high-intensity, not a high-impact class and can be modified to suit a variety of fitness levels, from beginner to advanced, so participants get the most out of their workout in a safe and fun environment. So, let's turn up the music, catch the rhythm, and get moving and healthy together. Ages 14 & up. Cardio Mashup & Core classes will be led by NETA certified fitness instructor, Bethany Reinholtz.

THINGS YOU SHOULD KNOW

CHANGING ROOM POLICY. Children 5 and older are asked to use appropriate changing rooms.

PARENT WATCH POLICY: Parents are welcome to watch, but with your child's interest in mind, we ask that you keep interaction with your child to a minimum. Our instructors have found that the quality of instruction has often been affected by parents and/or sibling distraction, interruptions and various other concerns during class time. We also feel it is most beneficial for children to have recreational time with their peers. Our instructors always welcome the opportunity to discuss participant's progress with parents. Please contact your instructor before or after class with any special concerns.

REFUND POLICY. If a participant cancels a registration, \$5 will be charged for processing with the balance of the activity fee being refunded. Cancellations may occur up to two days before an activity unless there is a registration deadline. NO REFUNDS will be given

after an activity has started.

POOL TEMPERATURE: The pool is heated at a constant 82° - 83°F.

LOCKER FACILITIES: The pool offers storage for your belongings while using the pool. There are coin-operated lockers available which require a quarter. (\$.25)

GOGGLES: For levels 1-3 we do not recommend goggles because children need to learn to be comfortable in the water without any aids. However, with the upper level classes, goggles are recommended as students are expected to spend significant amount of time doing a variety of skills with their faces in the water. Goggles will help to reduce eye irritation. Please note: **Mask type goggles with the nose piece attached are strictly prohibited.**

Forestry

ADOPT A PARK

The Village of Ashwaubenon would also like to show our gratitude and appreciation for the 2016 Adopt A Park volunteer's role in keeping our park facilities looking their best. These dedicated volunteers organize a minimum of three park clean-ups per year and bring any maintenance needs to the attention of Village Staff. Below are the groups, individuals or families that deserve a word of thanks for keeping Ashwaubenon's parks clean.

PICK A PARK PROGRAM

Is your group or organization looking for a way to get involved in and give back to the community? Searching for a service project to participate in National Volunteer Week being celebrated from April 23-29.

The Village of Ashwaubenon's Pick A Park program is designed for groups or organizations interested in organizing a single day service project. Any of the Village's parks are available for this exciting program whether or not they are already adopted through our Adopt A Park program. The Ashwaubenon Sports Complex along with Klipstine, Pioneer, and Ashwaubomay Parks are four larger sites that are suitable for bigger groups and generally are in need of additional assistance.

2016 GREAT ASHWAUBOMAY CLEAN-UP

June 18th marked the seventh year for the Village's Great Ashwaubomay Clean-Up. Over forty volunteers generously donated their time to remove invasive species from the shoreline of Ashwaubomay Park and trash pickup throughout the park. The Parks, Recreation and Forestry Department wishes to extend an enormous THANK YOU to the community members and scout groups who have helped improve the aesthetics of Ashwaubomay Park. We wish to especially thank the members of Cub Scout Packs 4363 and 4463 in addition to Boy Scout Troops 1363 and 1563

WEBELOS DEN PACK #4463 MAKING A DIFFERENCE

Last April Webelos scouts from Pioneer School's Pack 4463 completed a volunteer clean-up project at Waterford Park. Several full bags of trash and debris were removed from the park to get the park ready for the busy summer season. Huge thanks to the Scouts and parents to help keep Ashwaubenon's neighborhood parks looking their best.

REPORTS OF JAPANESE BEETLE ON THE RISE

Both adult and the grub stage of Japanese beetles cause serious damage to many landscape plants (more than 320 species) and turf grasses. The adult beetles skeletonize the leaves by chewing between the veins of the leaf tissues, devour the flowers (roses) and fruits (raspberries), and ultimately weaken the plant. Roses, birch, linden, grapes, raspberries, Norway maples, beans, apples, plum, crabapples, elms, beech, asparagus and rhubarb are some of its favorite delicacies.

Adult Japanese beetle

Huge swarms of these beetles can emerge in Wisconsin, with peak activity for six to eight weeks. Adult beetles are active during the daytime and can fly an average of 1 to 2 miles. The female beetle lays eggs on the ground, which hatch in about two weeks into white grubs that damages turf grass roots. An adult Japanese beetle is one-half inch long with a shiny metallic green body, coppery brown wings and a small tuft of white hairs surrounding its sides and posterior.

Control options for adult Japanese beetles and their grubs vary depending on the landscape plants. No treatment is needed for mature trees and shrubs because they have more tolerance to the feeding damage caused by the adults and will leaf out again the next year.

Skeletonizing damage from adults

Management options

1. Small landscape plants such as roses, vegetable crops, strawberries and raspberries can be protected using floating row cover (white polyester spun bonded fabric) from afternoon until late evening hours. This fabric can be draped over the plant and pinned to the ground.
2. Hand-picking and drowning the beetles in soapy water is an option if their population is low.
3. For larger populations, standard contact insecticides can be used. Acelepryn (active ingredient chlorantraniliprole) is relatively new in the market and is known to provide good control on Japanese beetles; it is less toxic to bees compared to standard insecticides.
4. On fruits and vegetables, standard organic products such as neem oil and spinosad can be sprayed after the blooming period. The application should be repeated once every five to 10 days until mid-August.
5. Japanese beetle traps should NOT be used for control, as they will attract thousands of beetles to a garden and can lead to more damage.
6. Turf should not be irrigated during the beetle's active season to help prevent the insect from laying eggs there.
7. A preventive grub insecticide (with an active ingredient containing imidacloprid, halofenozide, clothianidin or thiamethoxam) can be scheduled for application to lawns before the end of July to prevent eggs from hatching.
8. By mid-August, a curative insecticide (carbaryl, clothianidin or trichlorfon) can be used to control young grubs in a lawn. Flowering weeds should be mowed before application and the lawn should be lightly watered afterward.

EMERALD ASH BORER

DON'T FORGET TO PROTECT YOUR ASH...

With the discovery of EAB in Brown County, The Village of Ashwaubenon encourages residents to chemically treat ash trees to prevent being killed by EAB. Residents are being encouraged to treat street trees on a preventative basis. A number of effective options are available, with many able to be done by homeowners while others require professional applicators. Below is a link to a great publication with the latest, research based information about treating for EAB.

www.emeraldashborer.wi.gov/articleassets/InsecticideOptionsForProtectingTreesFromEAB.pdf

Please remember to complete a Village of Ashwaubenon “Tree Work – Permit Application” before treating any street trees. Several reasons for this are:

- Ensuring trained, licensed contractors are complying with WI State laws and regulations and that RUP (Restricted Use Pesticides) are only be applied by professionals
- Record treatments in our inventory to guide future management decisions
- To minimize applications by unscrupulous contractors that may harm Ashwaubenon’s urban forest

PRUNE OAK TREES NOW TO PREVENT SPREAD OF OAK WILT

The Village of Ashwaubenon encourages residents to schedule their oak trees for pruning this coming fall or winter. Village ordinance requires that oaks be pruned from July 15 to April 1 to minimize the spread of Oak Wilt (*Ceratocystis fagacearum*). Most oak wilt moves from diseased trees to healthy trees through roots that have become interconnected (root grafts). Oak wilt can also spread above ground by sap-feeding beetles. The fungus produces a sweet odor that attracts sap-feeding beetles who then feed on sap from fresh wounds, carrying the fungus on them and thus infecting healthy trees.

FALL IS TREE PLANTING TIME!

The Neighborhood Street Tree Planting Program will once again be offered in the fall of 2016. The planting program is a cost sharing partnership between the Village and its residents to promote the benefits of tree-lined streets. The resident pays for the tree while planting, maintenance and replacements will be the Village’s responsibility.

A selection of suitable trees will be sent with an order form in early fall and planting will be done in late October or early November.

Interested residents are asked to call the Village Forester before September 1, 2016 to be included in the program.

Thinking about removing stumps or doing any other underground work in your yard? Remember to call Diggers Hotline at least 3 days before doing any work. This service is free and companies will locate their utilities at your worksite. Call 811 or 1-800-242-8511.

Village Services

MOTORISTS, PEDESTRIAN, AND BICYCLE SAFETY

Not all crashes are accidents. Most pedestrian/bicycle crashes are not only predictable, they are preventable. More than 80% of all pedestrian/bicycle crashes with motor vehicles involve the following violations.

- Failure to yield the right of way to pedestrians/bicycles at controlled/uncontrolled intersections or crosswalks
- Improper turning by motorist/bicyclist
- Failure to obey stop sign or signal
- Speeding in school zone
- Failure to stop for school bus with flashing red light

A motor vehicle **MUST** yield/stop for a pedestrian or bicycle

in a marked crosswalk.

A bicyclist **MUST** ride with traffic.

A pedestrian **MUST** walk facing oncoming traffic.

If we remember these simple rules and work together we can all do our part to decrease crashes and make the roadway a safer place for motorists, pedestrians, and bicyclists!

STORM WATER UTILITY

With the creation of the Storm Water Utility in 2012, all developed parcels in the Village have received a storm water usage charge (a line item included on the Water & Sewer Utility invoice or a separate Storm Water Utility invoice) based on the amount of impervious surface that parcel has. Impervious surfaces are those that prevent water from infiltrating into the ground, such as rooftops, driveways, parking lots, and sidewalks. The amount of impervious surface was determined from the 2014 Aerial Photos completed for Brown County.

A typical residential lot has 3,316 square feet of impervious surface which is the basis for the annual rate of \$50 per equivalent runoff unit (ERU). 1 ERU is the same as 1 Usage charge on the Utility invoice. The Village has calculated each parcel's ERU/Usage. A parcel with 3,316 square feet of impervious surface will see a \$12.50 storm water charge on their quarterly water bill. If a parcel has less than the average amount of impervious surface, the Usage charge will be less. Larger parcels will have multiple ERU/Usage charges.

Creation of the Storm Water Utility is a funding mechanism the Village is using to meet mandates by the Wisconsin Department of Natural Resources to ensure Waters of the State are kept clean. Through the Wisconsin Pollution Discharge and Elimination System (WPDES) permitting process, the Village must continually stay in compliance with the Municipal Separate Storm Sewer System Discharge Permit issued to the Village in 2006. Since 2006, the Village has been funding the compliance measures of the permit through general fund tax dollars. It is evident that more funds are required to meet the WDNR mandates since the Village has not been able to tackle large scale projects such as ponds and flood control measures. A Utility also includes all tax-exempt parcels in with this ef-

fort so that all generators of storm water runoff are working together on storm water management.

Future project types being reviewed for funding by the Storm Water Utility include storm water ponds for water quality and flood control, runoff conveyance measurements in flood prone areas, streambank stabilization, and system maintenance (i.e. existing pond dredging, storm sewer replacement and cleaning, etc.).

If you have any questions regarding the Storm Water Utility or your storm water charge, please contact the Village Engineer, Steve Birr, in the Public Works Department at (920) 492-2308.

FAQ REGARDING THE STREET DEPARTMENT

Important information from the Ashwaubenon Street Department.
Contact the Public Works Department at 492-2310 with any questions.

GARBAGE AND RECYCLING:

Garbage and recycle carts must be kept apart for pickup. Put one on each side of the driveway or try and keep at least 3 feet between the carts. Carts should be placed at the curb by 7 a.m. on your garbage day and after pick up all carts must be placed out of sight. Due to trip and fuel costs, the Village is unable to make return trips for carts not placed out to the street on time the morning of your designated day

Options: If you notice that the resident carts across the street from you have not been picked up you may put your container on the opposite side for pick up.

Garbage: You may bring your garbage to the Brown County Transfer Station at 3734 West Mason Street. Their hours for the public are Monday through Friday 7:30 am-4:00 pm.

Recycle: May be brought to the Recycling Transfer Facility located at 2561 S Broadway.

LEAF PICK-UP:

Will start in October and continue until the first snow fall. The leaf trucks start at the north end of the Village and work south. This route is continued throughout the leaf season. Some areas of the Village do take more time to complete and we greatly appreciate your patience during this season.

SPRING CLEAN UP:

The Village of Ashwaubenon does have a two-week spring clean up in mid-April where residents can put grass out to the curb for pickup. All yard debris may be brought to the Village grass/leaf drop-off site. This is located off of Cormier Road, between Holmgren Way and Ashland Avenue on Collaer Court.

MULCH PICKUP AND WOODCHIPS:

Mulch and woodchips are also available for your landscaping needs.

MONTHLY RUBBISH PICKUP:

During the first FULL week of the month (which is Monday through Friday in the same week) you may put a piece of furniture, small amount of carpeting, or up to 1 cubic yard of rubbish material. This is a pile that is 3 feet by 3 feet by 3 feet. If more than a cubic yard of material is put at the curb, there will be a charge even during the first full week of the month.

BRUSH PICKUP:

All brush must be put at the curb with the butt ends to the street, tree trunks should be stacked separate and please do not mix tree trunks with branches.

APPLIANCE PICKUP:

All appliances with freon must be taken to the Brown County Transfer Station. You may also call Kim & Paul's Appliance at 435-1500 or Tom's Iron & Metal at 660-8626 for pickup. In the event that the Village Crews pick up the appliance, the property owner will be invoiced in the amount of \$25.00 per appliance.

FIRE WOOD:

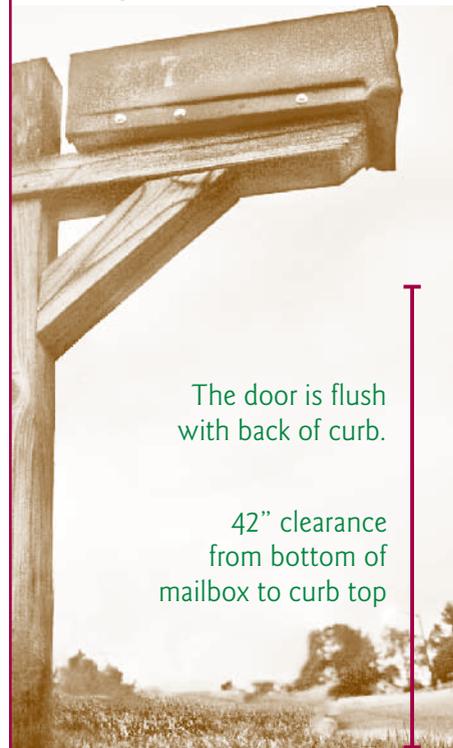

Cut/split fire wood is available for \$50.00 a face cord at the Village Garage. (8'x4'x18") Must be picked up between 7:00 am - 3:00 pm, Monday - Friday

GARDEN COMPOST:

Decomposed compost is now available free of charge at the Village grass/leaf drop off site. This is a "recycled" product using leaves and grass collected in the Village.

PROPER MAILBOX HEIGHT

During the winter season, unfortunately, several mailboxes are damaged during the snow removal process. This diagram shows the correct installation height to

allow for the clearance of the snow plows.

Mailboxes not properly installed are at risk of damage at owner's expense/ replacement.

The door is flush with back of curb.

42" clearance from bottom of mailbox to curb top

- The door of the mailbox should be flush with the back of the curb.

- 42" from the bottom of the mailbox to the top of the curb or minimum height of 48" from roadway.

Village Services - Public Works Department

A FEW WINTER REMINDERS

- Our crews go out within an hour of the snow ending, it takes our crews 10-12 hours to plow the entire Village.
- The snow at the end of driveways happens in the normal process of snow removal.
- By Village ordinance, the Village crews will maintain the sidewalks in the school zones within 24 hours of a snowfall. All commercial sidewalks are to be cleaned of snow by the property owner within 24 hours of a snowfall.

CHRISTMAS TREE REMOVAL PROCESS

Our chipper truck will be out during the month of January to assist with the disposal of Christmas Trees. You may also bring your Christmas trees to the Village's grass/leaf drop-off site on Collaer Ct.

NO OVER NIGHT PARKING

By Village Ordinance 7.02 (4) there is no overnight parking on any streets from November 1st through March 31st. Due to the size of the plow trucks it is very hazardous to try to maneuver around parked vehicles. Please be cautious during the winter months and be observant to the weather conditions to ensure that your vehicle is not parked on the roadway during these months.

WITH THE SEASONS, DIFFERENT ORDINANCES ARE EFFECTED

Please keep in mind the following ordinance during the winter months:

19-190 Deposit of snow or ice on street:

No person shall remove any snow or ice from his premises, residence, parking lot, parking area, service station or business property onto any public right-of-way or property. Snow removed from public sidewalks shall not be stored in any manner which will obstruct or limit a vehicular or pedestrian vision, movement or access.

In summary, we ask that property owners not clear out their driveway and push the snow into the street.

LANDLORD AND TENANTS

The Village of Ashwaubenon has adopted NFPA 14.4.1 general, means of egress shall be continuously maintained free of all obstruction or impediments to full instant use in case of fire or other emergency.

If there is a ground level patio door and/or entrance door, there must be access to the outside, and a shoveled walkway.

Also, 5-643 Driveways and sidewalks: All sidewalks, steps, porches, driveways and parking spaces shall be maintained in good repair and in such condition as not to pose a hazard to public health and safety.

Please have a fun and safe winter season and if at any time you have question or concerns, please feel free to call us at 492-2309.

WHAT DO THESE ITEMS ALL HAVE IN COMMON?

Answer:

Branches, grass, debris and leaves all can clog storm drains and lead to a very wet situation. Please be mindful of what is by the storm drains in the streets and in backyards. Plugged storm drains can cause flooding issues in the future. We can't control Mother Nature, but we can control drains being clogged. The Public Works Department appreciates any help you can provide by keeping storm drains free and clear!

Co-Sponsored Organizations

ASHWAUBENON YOUTH FOOTBALL

PRESIDENT: PAUL JOHNSON 347-0244

The Youth Football program is a tackle program open to all 7th and 8th grade Ashwaubenon residents. This program teaches the fundamentals of football, basic tackling, and teamwork. League play is through Great Lakes Conference. More information is available on the youth football website: www.ashlionsfootballclub.com

Monthly meeting is normally held the third Wednesday of the month at the Village Hall.

ASHWAUBENON SWIM CLUB (ASC)

PRESIDENT: AMY MESSAMORE 393-0385

The Ashwaubenon swim club is a year-round program designed for any youth who can swim one (1) pool length front crawl and back crawl. Participants may join at any time. The club's major goal is to improve skills, endurance and technique in the competitive swim strokes.

Practice schedules vary throughout the year. Participants are divided into six groups depending on their age and skill level. All practices are held at the high school pool. www.asc-wi.com

Monthly parent board meetings are held in the small commons at the high school. Please contact Amy Messamore for meeting information.

WHAT IS A CO-SPONSORED ORGANIZATION?

The Ashwaubenon Park Board co-sponsors the seven youth organizations that are listed on the next two pages. The organizations are Ashwaubenon Youth Baseball (AYB), Ashwaubenon Youth Soccer (AYSA), Ashwaubenon Girls Softball (AGSA), Ashwaubenon Wrestling Club (AWC), Ashwaubenon Special Children's, Ashwaubenon Swim Club (ASC) and Ashwaubenon Youth Football.

As a co-sponsored organization the village provides each group with the following:

- 1) Funding for equipment and/or wages.
- 2) Free facility use (ball fields, gym, pool, etc.)
- 3) Upkeep and grooming of all facilities
- 4) Insurance coverage
- 5) Free use of community center for their meetings
- 6) Provide a staff liaison to attend co-sponsored board meetings.
- 7) Provide a staff liaison to help with facility or program concerns
- 8) Plus miscellaneous other items

In return the co-sponsored organization is responsible for the following:

- 1) Day to day operations of their organization
- 2) Handle all registration and money
- 3) Provide contact person to department and all participants
- 4) Have a governing board that meets on a regular basis
- 5) Provide budget information to department each year
- 6) Follow participation rules - equal playing time for all participants
- 7) Follow Parks and Recreation Department philosophy in program - skill development focus, equal play and opportunities for all participants and focus on fun and skills rather than "winning"
- 8) Plus miscellaneous other items

This unique relationship seems to work and provides for low cost, well-run recreation programs for hundreds of children each year.

ASHWAUBENON WRESTLING CLUB (AWC)

PRESIDENT: TIMM LEISGANG 405-3638

The Ashwaubenon Wrestling Club is a program designed to promote an interest and to insure a safe and organized approach to the sport of wrestling. The club emphasizes the value of competitive sportsmanship and fair play.

Members are taught wrestling basics and conditioning in a program that runs from December thru March. Practices are held twice a week at Ashwaubenon High School. AWC is open to those who reside within the Village of Ashwaubenon and in Kindergarten thru 8th grade.

Registration for the program will be held on November 1st at the Ashwaubenon High School Field House.

ASHWAUBENON YOUTH BASEBALL, INC. (AYB)

PRESIDENT: JOHN HURD 265-6688

AYB is a volunteer organization that works with the youth of Ashwaubenon in connection with the Parks and Recreation Department to provide the highest quality play possible, as well as provide for the key elements of team play, sportsmanship, social values and fun. It is designed to provide the instruction of baseball skills to young people between the ages of 5 and 18. The playing season runs thru July.

Registration for baseball is held at the beginning of February. www.aybaseball.com

Monthly meeting is normally held the first Wednesday of the month at the Ashwaubenon Community Center.

ASHWAUBENON GIRLS SOFTBALL ASSOCIATION (AGSA)

PRESIDENT: TOM SCHMITT 360-0124

AGSA is a group of volunteers working together to provide both a learning and fun environment for girls wishing to play softball during the summer. Girls who reside within the Village of Ashwaubenon and are in Kindergarten through 10th grade are eligible to play. All girls registering for the leagues will be on a team. The playing season runs through July. Registration for softball is held at the beginning of February. www.agsasoftball.com

Monthly meeting is normally held the first Sunday of the month at the Pioneer School (winter months) and Pioneer Shelter (summer months)

CO-SPONSORED BOARD MEETINGS

Each co-sponsored organization is required to have a governing board that meets on a regular basis. The board is typically comprised of parent volunteers. Many volunteer hours are spent at meeting and completing the various tasks need to be completed to successfully run the program.

So where and when do the various co-sponsored meet? Each organization meets a different time and place depending on what works for them. All meetings are open to the public and everyone is encouraged and welcome to attend. Specific meeting times and sites are listed under each organization below.

Each organization is required to set and have an agenda available at least a week before each meeting and must keep and distribute meeting minutes before each meeting as well. Meeting agendas and minutes can be found on the Village website at www.ashwaubenon.com. Where possible the co-sponsored organization will have agendas and meeting minutes posted at the playing site during their season.

If you would like to become a board member, the organizations are always looking for additional volunteers and would encourage you to get involved by attending one of their meetings to find out more.

General Information

COMMUNITY GARDENS @ BILL DIAMOND PARK

Sign-up dates in 2017 for the Ashwaubenon Community Garden @ Bill Diamond Park are as follows:

TUESDAY, MARCH 7TH, 2017 @ 8 A.M.:

Sign ups begin for returning gardeners only, from 2016.

TUESDAY, MARCH 21ST, 2017 @ 8 A.M.:

Sign-ups for NEW gardeners

Fee: \$25 for season

There are 50 plots in the garden plus 2 elevated gardener boxes. The inorganic garden boxes are designed for individuals with mobility challenges, allowing for easier gardening (less stooping, bending, etc.). The plots are a combination of inorganic(42) and organic(8). Returning gardeners will have priority registration, followed by new gardeners, who can register on Tuesday, March 21st. Plot numbers for new gardeners which are available to "reserve" will be posted on our website prior to March 21st. Please call our office for additional details or check out our website at www.ashwaubenon.com

2016 was a successful season for the Ashwaubenon community gardens. The community garden is open for the public to walk through...it is located across the driveway from our yard waste recycling center @ the end of Collaer Court.

TAX COLLECTION CHANGE NOTICE

The Village of Ashwaubenon will no longer remain as a real estate or property tax collection site. Brown County will assume real estate and property tax collection responsibilities for all future years. The Village was the last community in Brown County that collected taxes but that effort will now shift to the county. Tax payers will need to reference their future tax bills for proper payment locations. Please note however, that all Pioneer Credit Unions are tax payment locations.

THANK YOU!

A huge thank you goes out to our summer concert sponsors who made our 2016 season a success:
