

FORECLOSURES AND UNATTENDED PROPERTIES

Any resident who will be vacating a property for an extended period of time or is aware of a vacated property, please notify the Ashwaubenon Water and Sewer Utility at (920) 492-2335.

Ashwaubenon Water and Sewer Utility would like to be informed of any vacancies so that the water service can be turned off at the street. This will help minimize any property damage in the event any interior piping should freeze and burst.

Thank you in advance for you assistance!!!
