RE: 2018 Summer Softball

In 2006 the ASA banned bat list was implemented. All bats must be tagged with a **Blue** "Greater Green Bay" approved bat tag. All bats are tagged on a two year cycle. Bats *not* tagged will be considered illegal and *not* allowed. Once a bat is tagged, it is considered legal. If found using a banned bat, your team will immediately forfeit the game in which the illegal bat was/is being used. This is a new cycle for bat tagging which means all bats must be tagged. The ASA website for banned bats is [www.asasoftball.com](http://www.asasoftball.com)

No tagging will be conducted at any ball field. Tagging of bats will be conducted at all managers' meetings and at the Ashwaubenon Parks, Recreation & Forestry Department office, 900 Anderson Drive, starting the week of April 2nd from 8:00 am until 4:30 pm. If you have any questions, please contact the Parks, Recreation and Forestry Department at 492-2331.

**The Ashwaubenon Parks, Recreation and Forestry Department is looking for 2018 summer umpires.** If you or someone you know are interested, please call the Ashwaubenon Parks, Recreation and Forestry office at 492-2331. We will provide the proper training.

However, if a resident replaces a non-resident, the Department will retain the \$15.00 additional fee and if a non-resident replaces a resident, the team will owe the additional \$15.00 fee.
- D. Players may be registered on more than one team, but NOT on the same league.
- E. In the Monday Men's Social 30 & over League, only two (2) players on the roster may be under the age of 30.

#### II. DRESS

- A. Players are not required to wear uniforms. Pants or shorts, shirt and shoes must be worn at all times. Sports bras may not be worn alone; a top of some sort must be worn over them.
- B. Any player with a splint or brace will have to have it covered in an acceptable manner. Any exposed metal must be covered by a soft material and taped. The umpire will make the final decision on what is acceptable for the player to participate.
- C. Players may wear rubber-tipped spikes. Players **cannot** participate with metal or metal-tipped spikes. The game will not continue until there is a compliance with this rule.
- D. Masks and throat protectors must be worn by all MODIFIED catchers – they are to be supplied by the team.
- E. Wearing of helmets by all men and women's modified league players is highly recommended. This includes all base runners, the batter and the on-deck batter. Batting helmets must be NOCSAE approved with double earflaps.
- F. Any fielder can use a glove as long as it is of legal size. Only the catcher and 1st baseman may wear mitts. No top lacing, webbing or other device between the thumb and body of the glove or mitt shall be more than five (5) inches in length.

No new inning may begin after the one hour or one hour, fifteen minute time limit. The umpires will announce the time at the start of each game as well as start the game clock on the scoreboard. From that point, the games will last either one hour (Slowpitch games) or one hour, fifteen minutes (Modified games).

General Rules & Regulations – Adult Softball Leagues

Page 2

- G. The “10 run” rule and time limit will be in effect for all games.
- H. Postponement of the game for time limit or weather is at the umpire’s and site supervisor’s discretion. Games called due to weather will be played from the point of interruption if not a regulation game. A game will be ruled regulation after five (5) or more complete innings have been played.
- I. Ten (10) players constitute a full team, although only eight (8) players are needed to start a game or seven (7) players for Coed. **Failure to have the required number of players, eight (8) or seven (7) for Coed, five (5) minutes after the scheduled game time the game will result in forfeiture.**
- J. A team may bat the entire roster. However, it must be declared at the beginning of the game (at the time the line-up is presented to the Umpire) and remain throughout the entire game. The line-up must include first and last names. If not batting your entire roster, all subs must be reported to the Umpire prior to that individual entering the game. Official lineup cards are to be turned into the umpire(s) prior to the start of the game; cards are to include first and last name.
- K. When a team has declared to bat their entire roster at the beginning of the game and during the game a player becomes injured and must leave the game, the team will NOT HAVE TO TAKE AN OUT when it is that person’s time to bat, the roster will just collapse around that player.
- L. The game ball is provided by the Ashwaubenon Parks & Recreation Department. The visiting team will supply a playable (judgment of the Umpire) back-up ball. Both teams will supply back-up balls when the original ones are out of play or determined to be unplayable. Only balls that have a ball compression of 375 lbs and a cor of .47 or less and are white cover, red stitch or yellow optic may be used. Exact compression and cor depends on the league.
- M. There will be a MAXIMUM of 2 warm up pitches between innings. Before a game, a pitcher will be allowed a maximum of five (5) pitches. Practice on the field before the game will be at the Umpire’s discretion depending on time and weather (field conditions). Warm up areas are provided behind the walkway fences on the North and South walkways. Please use these areas for the safety of the spectators.
- N. In the judgment of the Umpire, the best ball will be used whenever possible. The pitcher does not have the option of using the “second” ball.

**IV. GAME RULES**

**A. MEN’S MODIFIED**

- 1. Men’s Modified pitch will be governed by the 2018 ASA Playing Rules.
  - a. Pitcher shall take a position with both feet in contact with the pitcher’s plate.

- b. The pitcher must not use a pitching motion in which, after having the ball in both hands in the pitching position, the pitcher removes one hand from the ball and returns the ball to both hands.
- c. Pitcher shall not make a stop or reversal of the forward motion after separating the hands.
- d. Pitcher may take the ball behind the back on the back swing.
- e. Pitcher must NOT use a windmill or slingshot type pitch or make a complete revolution in the delivery.
- f. The ball must not be outside the pitcher's wrist on the backward swing, at the top of the back swing, on the downward motion or during the complete delivery.
- g. The delivery must be an underhanded motion with the hand below the hip and the pitcher's palm may be pointing downward.
- h. Arm, shoulder, and hip: On the forward swing of the pitching arm, the elbow must be locked at the point of release, and the shoulders and driving hip must be squared to home plate when the ball is released.
- i. The release of the ball must be on the first forward swing of the pitching arm past the hip. The release must have a complete, smooth follow-through with no abrupt stop of the arm near the hip.

General Rules & Regulations – Adult Softball Leagues  
Page 3

- j. In the act of delivering the ball, the pitcher must take one step simultaneous with the release of the ball. The step must be forward and toward the batter within the 24 – inch length of the pitcher's plate. The stepping foot must be pointed toward home plate and must not touch the ground in front of, or cross over a straight line between the pivot foot and home plate. It is not a step if the pitcher slides the pivot foot across the pitcher's plates, provided contact is maintained with the plate. Raising the foot off the pitching plate and returning it to the plate creates a rocking motion and is an illegal act.
  - k. Pushing off with the pivot foot other than on the pitcher's plate is illegal.
  - l. The pitcher shall not deliberately drop, roll or bounce the ball in order to prevent the batter from hitting it.
  - m. The pitcher has 20 seconds to release the next pitch after receiving the ball or after the umpire indicates "play ball."
2. Leading off and stealing are allowed once the ball leaves the pitcher's hand on the delivery.
  3. Bunting is allowed.
  4. **Courtesy runners are allowed for pitchers, catchers, pre-determined (telling umpire before start of game) players and in game injuries provided:**
    - a. **The courtesy runner is the last out**
    - b. **Courtesy runner cannot steal (unless a passed ball)**
    - c. **Any player using a courtesy runner, MUST use a courtesy runner the entirety of the game**

**B. WOMEN'S MODIFIED**

1. All Women's Modified divisions will be following the 2018 ASA modified pitching regulations of the 2018 ASA Official Rule Book. It will be the umpires judgment about what will be considered legal in agreement with the ASA rules.
2. Leading off and stealing are allowed once the ball leaves the pitcher's hand on the delivery.

3. Bunting is allowed.
4. Third Strike Rule: When the catcher fails to catch the third strike before the ball touches the ground when;
  - a. There are fewer than two outs and first base is unoccupied at the time of the pitch, or
  - b. There are two outs and first base is occupied. This is called the third strike rule.

### C. COED SOFTBALL

1. Teams may play with seven (7) players, but not less than seven. If you have seven (7) players, four (4) males and three (3) females or three (3) males and four (4) females may play, but NOT five (5) males and two (2) females. When batting two (2) men in a row, the team MUST take an out. If teams have eight (8) or more players, they MUST have equal number of males and females OR more females than males. It is not an automatic out if two (2) females bat in a row. All teams must alternate batting order with every other batter being female.
2. If a team has declared to bat their entire roster and a player arrives late, whether male or female, that player must be inserted into the lineup at the end of the batting order provided that the team has not batted through their entire roster. If the team has batted through their entire roster, the player who has arrived late may only be a substitute. If two men bat in a row, the team must take an out. Teams may not substitute batting males every other time at bat.
3. Position Requirements: One male and one female as pitcher or catcher. The infield and outfield does not matter male/female ratio.
4. If a male gets a walk when he has a strike it will result in a one (1) base award. If a male batter gets three (3) balls, without a strike it will result in a two (2) base award; the male will be awarded first and second base. The female batter will NOT have the option of taking the automatic walk she must bat.

- D. In slowpitch, a legal pitch MUST attain a perceptible arch of six (6) feet from the ground. There is no maximum height. A strike is determined by the ball hitting any part of the mat or plate including the black (if exposed). The mat is NOT part of the plate in a running situation.

### General Rules & Regulations – Adult Softball Leagues Page 4

- E. In slowpitch, legal delivery means the pivot foot must remain in contact with the pitcher's plate until the pitched ball leaves the hand. If a step is taken, it can be forward or backward, or to the side, provided the pivot foot is in contact with the pitcher's plate and the step is simultaneous with the release of the ball.
- F. In slowpitch, a runner may not leave the base in a live ball situation until the ball is hit. NO LEADING OFF, STEALING OR BUNTING.
- G. NO "MAJOR" Modified pitchers are allowed to pitch in any of the Modified Leagues.
- H. The ASA Bat guidelines will be used in our leagues. For a complete listing of ASA legal and illegal bats, go to [www.softball.org](http://www.softball.org).
- I. A double first base will be used in all adult leagues.
- J. A fake tag on a runner is dangerous, un-sportsmanlike and may result in expulsion from the game.

- K. A runner is not required to slide into a base. The runner may not intentionally run into a fielder to try and jar the ball loose. Any runner guilty of this act (in the opinion of the Umpire) will be ejected from the game.
- L. If a runner misses a base or leaves early on a caught fly, the umpire will automatically call the runner out. The defensive team is not required to touch the base missed by a runner or when the runner leaves early on a caught fly ball.
- M. Re-entry – A player may re-enter a ball game after being out of the game for six (6) outs by his/her team. He/she will bat for the person he/she replaces in the order and must report to the umpire before re-entry. If a player re-enters the game illegally, a correction may be made before the first pitch without penalty. After the first pitch (for the individual) the offending player's penalty will be sitting out for an additional six (6) outs by his/her team. It is the manager's responsibility to oversee this rule and inform the umpire of any infractions. NOTE: This does not apply when batting the entire roster.
- N. It is legal for pitchers to return to the pitching position like any other player that leaves the game and then returns.

**V. GENERAL INFORMATION**

- A. A team award and individual awards will be awarded to the league champions in each of the following leagues: Men's Competitive Slowpitch, Men's Modified, Women's Modified, Women's Competitive Slowpitch. A team award **or** individual awards will be awarded to the league champions in Coed and Social leagues. A team award **or** individual awards will be awarded to the tournament champions for those leagues participating in an end of season tournament.
- B. Ties will be determined by the following method:

General Rules & Regulations – Adult Softball Leagues

Page 5

Two (2) Umpires will be used in all Modified and Competitive Slowpitch leagues. Some Modified and Competitive leagues will only use one umpire depending on umpire's training
- F. League Format – League setup will be determined at the manager's meeting. Standings upon completion of the league will determine league champion and runner-up. Depending on the

number of teams and length of season, a season ending tournament may be played. Standings from regular season play will seed teams for the season ending tournament.

- G. League play will take place at the Ashwaubenon Sports Complex, 1680 Fernando Drive.
- H. If the weather is questionable, call 492-2303 **AFTER** 4:30 pm for cancellation information. Please **DO NOT** call the Recreation Office, a decision will not be made until after 4:30 pm. Please be aware that we try to play all of the games.
